

# **Federal Aviation Administration Eastern Region**

## **DIRECTIONS**

### **Public Transportation:**

1. The Green Bus Lines operate service on the Q-6 bus route along Sutphin Boulevard, from downtown Jamaica to the North Cargo Area of John F. Kennedy International Airport. Connections to subway are available at the Sutphin Boulevard/Archer Avenue station (E, J and Z trains), and to the Long Island Rail Road at Jamaica Station.

The MTA Travel Information Line # is (718) 330-1234.

2. The Long Island Bus Route, the JFK Flyer, starts at the Rockville Centre Long Island Railroad (LIRR) and has a stop within walking distance to the new building. It stops at the corner of Farmers Boulevard and Rockaway Boulevard (which is five blocks from FAA's building) or at the same corner with the use of the same MTA pass, take Q6 bus (two stops) to the FAA building. Telephone number for MTA Travel & Information Center is (516) 766-6722.

3. From Penn Station at 34<sup>th</sup> Street and 8<sup>th</sup> Avenue, New York City--Take the LIRR to Jamaica Station. Go downstairs and take the Q-6 bus to the FAA Headquarters building at 159-30 Rockaway Blvd.

### **Vehicle:**

1. From Queens:

Van Wyck Expressway, Southbound to Exit 1E, Belt Parkway, Eastbound, to South Conduit Avenue to Rockaway Boulevard. Make right turn on Rockaway Boulevard. Our new building is approximately 3 blocks on the right.

2. From Brooklyn:

Belt Parkway, Eastbound to Exit 20, 150th Street. Continue on South Conduit Avenue to Rockaway Boulevard. Make right turn on Rockaway Boulevard. Our new building is approximately 3 blocks on the right.

3. From Long Island:

Southern State Parkway, Westbound to Belt Parkway, Westbound to Exit 21A, Rockaway Blvd. (This exit is on North Conduit Boulevard.) Stay in left lane. Make left turn onto Rockaway Boulevard. Our new building is approximately 3 blocks on the right.
